FIFTEEN CENTS

## Koziol annexation plans look definite

In a short May 19 Antioch Village Board meeting, a public hearing date was set for 7 p.m., July 7, at the village hall, to hear any objection to the pre-annexation agreement of the Walter Koziol property located off Anita Dr. The property, which is zoned industrial, is partially in the flood plain, and has met with opposition from the planning commission. According to Trustee Bill Seemann, the pre-annexation agreement has certain contentions. "Anything done on the property must conform with the ideas of the village engineer and the ordinances of the village."

The property would be made into "eight or nine industrial lots," according to Trustee Don Amundson. Koziol's property is in the industrial park area, and an estimate of 55 percent of the property can be developed so that it is not in the flood plain.

THE PLANNING commission opposed the idea of annexation because of the property's flood plain location. "Their opinion is just a recommendation to us," Amundson pointed out. "The zoning board has the final say-so, and it is expected that the developers will conform to our ordinances."

In other activity, the board heard a public thank you from Bernie Gunty for the village's persistence in getting action on a self-serve gas station over the state line that was underselling Antioch stations. According to Gunty, the station was practicing unfair competition. "They were selling their gas for less than we could buy ours for," Gunty said. "Then their allocation went from 56,000 gallons per month to 350,000 gallons per month, and it has forced me to close down."

Gunny's station is located on the corner of North Ave. and Main St. Federal authorities are investigating the charges made by station owners in the area.

THE NEW SENIOR center will be getting a shuffle board court inlaid on the main floor, despite protests from village trustees. The board will cost \$240 and the idea was passed with a tie-breaking vote from Mayor Michael Haley. "I would think it would be better to

have the court in the basement as the discs could damage the walls upstairs," stated Mabel Lou Weber, one of three voting no on the proposal.

The board also learned that the village would be paying some of the summer park employees through the 20-80 plan through Antioch High School. The pool manager, assistant manager and two special instructors will remain on the previous approved payment of \$225 per week, \$3.75 per hour, and \$920 for the season respectively.

Also, the board accepted the recommendation of director of public works, Walt Shepard, for the bid of \$1,400 for the diving stand at the Aqua Center from Halogen Supply Co.

## Street plans tentatively announced

Inconvenience will be apparent this summer in the downtown Antioch area, but in the long run, the street improvements are probably better being done all at once than spread out over two or three years, according to Antioch Supt. of Public Works Walt Shepard. "I'll know more at the end of the week after a pre-construction meeting on Wednesday," Shepard said of the starting time and places of the road improvements.

With construction on Main St. right on schedule, Shepard is hoping to get started on Orchard and Hillside in the next few days. "We are planning to do the east half of Hillside, and the south two-thirds of Orchard St. first," Shepard said. "The traffic then use the paved part while we complete the rest of the road."

Slated for improvement on the two roads are curbs, gutters and paving. Improvements on other roads will be made in accordance to how much money is left from the progressing projects.

## Fire false, man charged

Antioch Police reportedly arrested a 21-year-old Antioch man and charged him with disorderly conduct for reporting a false fire alarm.

According to Lt. Tom Fisher, Bart M. Moe reportedly dialed the 911 emergency number on the afternoon of May 8. He reported that there was fire in the Channel Lake area, and upon sending equipment to the area, the Antioch Fire Dept. found the report false.

Normal procedure when dispatchers receive an emergency call on the 911 number, is to lock the call into a tracing system. The phone company traced this particular call to a phone booth on Main St.

In checking with witnesses, police were able to identify the caller, and Officer William Kukla picked up the alleged caller.

According to Fisher, false alarms cost fire departments hundreds of dollars. "It costs the department a lot of money to respond to calls, and it also puts people's lives in danger."

## Jaycees win!

The Antioch Jaycees attended the Illinois Jaycee state convention held in St. Louis in the beginning of May. The Antioch Chapter was recognized as the number one chapter out of 76 in the same population division.

According to Don O'Connor, this was the first time that the Antioch Chapter came out on top.

The Jaycees also received awards for eight of the projects they worked on over the past year, with their shooter's education program getting first in the state. They also received five awards for internal programs.

Individuals also received awards for their dedication to leadership including Wayne Salonen, outstanding local president; Don O'Connor, outstanding state director; Bill Burns, outstanding treasurer; and Chuck Spillner, outstanding district director.

# Vocational education extra at Antioch High

Education has changed in many ways over the years, and the changes have been instituted to reach all age groups and enhance all types of learning capacities. Both high and grade schools are giving students more individualized attention, and most achievers, through counseling, can find a program that suits their special interests.

To add to the many intense learning situations at Antioch High School, juniors and seniors have a chance to be trained in occupational education at the Lake County Area Vocational Center (LCAVC) in Grayslake. The philosophy behind this educational avenue, is a "hands-on" experience in a field which may become the upperclassman's bread and butter after graduation.

**CLASS PERIODS** at LCAVC run for a little over two hours per daily session. There are three sessions or "shifts", however ACHS participates in only two, the morning and mid-morning. Enrollment is on an elective basis, and each participating school is allotted a number in each program, although presently the number of students participating may outnumber the allotment.

Classes offered through the center include applied biological and agricultural classes; business and management classes; health occupations; home economics occupations industrial oriented classes, including classes such as building trades, cosmetology, auto body, auto mechanics, graphic communications, radio, television repair, welding and environmental control. Enrollment capacity in the LCAVC programs is upwards of 2700, but has reached nearly 1500 to date. ACHS sends around 80 students to the facility.

**ACCORDING TO** Adrian Mueller, coordinator of vocational education at ACHS, enrollment should pass 90 next year. "The main requirement a student must meet is good attendance," Mueller said. "The program is for mature students, and they must possess a definite interest in the field they wish to pursue," he added.

Mueller, who began his career at ACHS in architectural drafting, also said that students must apply for the course and then must be interviewed by him. "We don't turn many away, most everyone that meets the attendance requirement gets to use the center's facilities," he said.

LCAVC has students from 17 different schools, the faculty is specialized, and the governing board consists

of superintendents from the participating schools. Also, at least one representative from each school's guidance area is on a coordinating committee.

"**THERE ARE PEOPLE** from the business community that sit on the general and program advisory committees," Mueller stated of the center's specialized programs. He pointed out that those on the committees bring their expertise to program areas at the center.

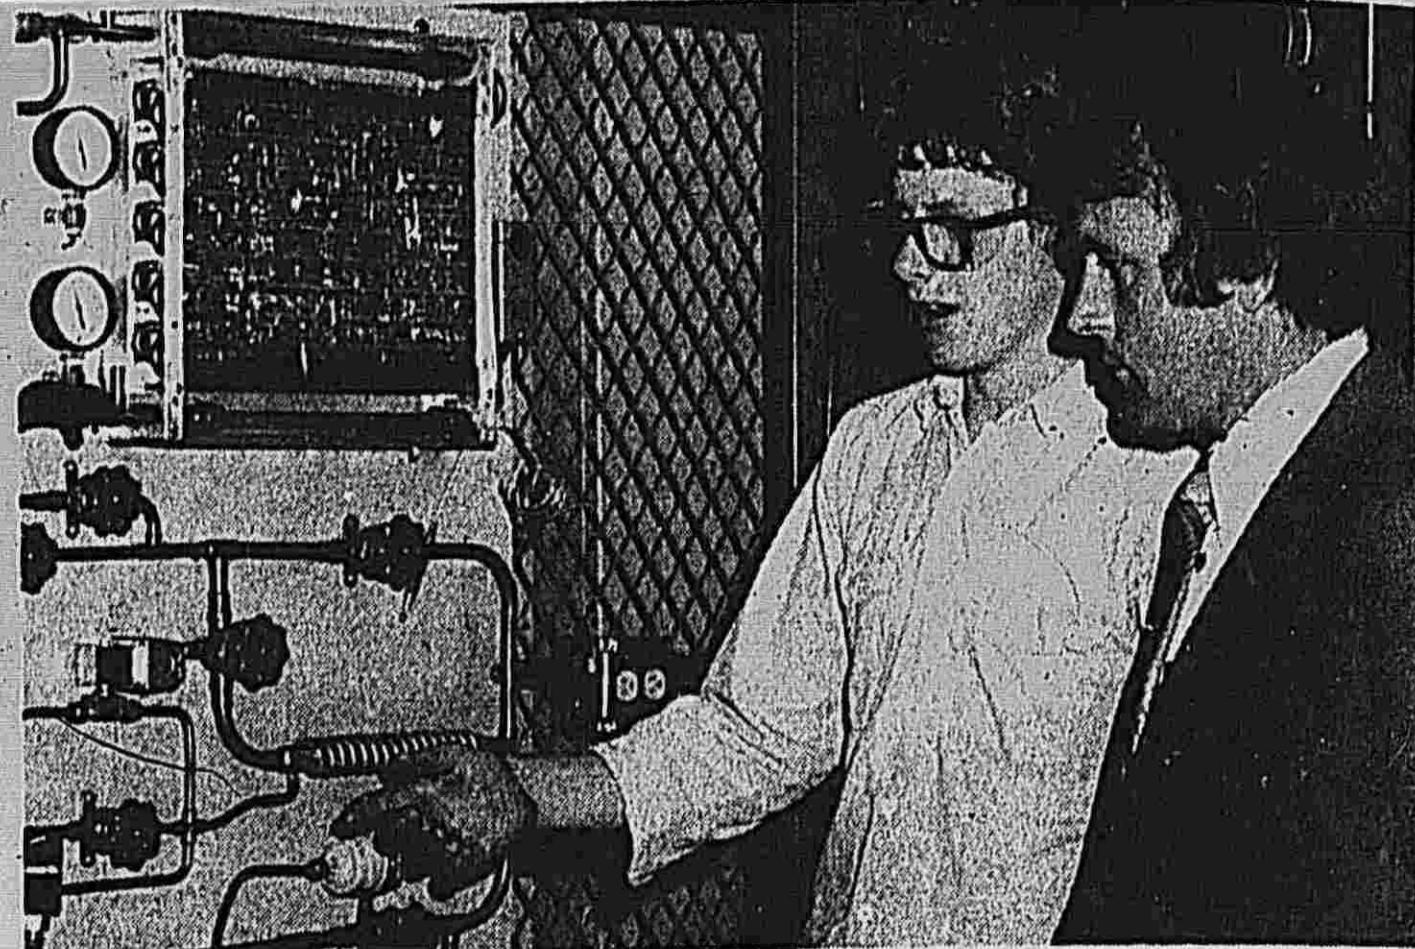

The programs at LCAVC interest mostly career oriented students, but some college bound teens attend classes there. "There is a job placement service at the center for students needing job help after high school. There have been some, very successful students that have chosen to go on to college, although most students attending are interested in a career after school," Mueller stated.

Mueller feels that the vocational center has been

extremely successful in providing opportunities for students. "The programming has been a challenge, and it has provided an outlet for many students who have learned all they can in their specialized area at ACHS," he said.

**FUNDING FOR LCAVC** comes from the districts participating, which amounts to about \$500 per student. Students are encouraged to get all the instruction they can at Antioch High before attending the LCAVC. "They have to be serious about the courses they wish to take before we let them enroll," Mueller said.

Discipline is not much of a problem at the center, as the high schools participating handle their own students. "Any trouble the student incurs is dealt with by the individual school. Students are expected to be attentive while attending the center. We look at it as a privilege to go there, and so do the students," Mueller said.

## Moose women name new governing board

by JUDY PAGE

The election of the Women of the Moose board of officers was held at the May 15 meeting. Those who will head the chapter from July 1 through June 30, 1981 are Senior Regent, Louise Gutowski; Junior Regent, Marilyn Vynalek; Chaplain, Terry Smallwood; Recorder, Judy Page; Treasurer, Betty Dahlke. This year's Senior Regent, Mary Galster, will serve in the junior graduate regent's office for the coming year.

The installation of new officers is set for 8 p.m., June 21, followed by a dinner/dance. Collegian Erna Toft, is the installation chairman for the evening.

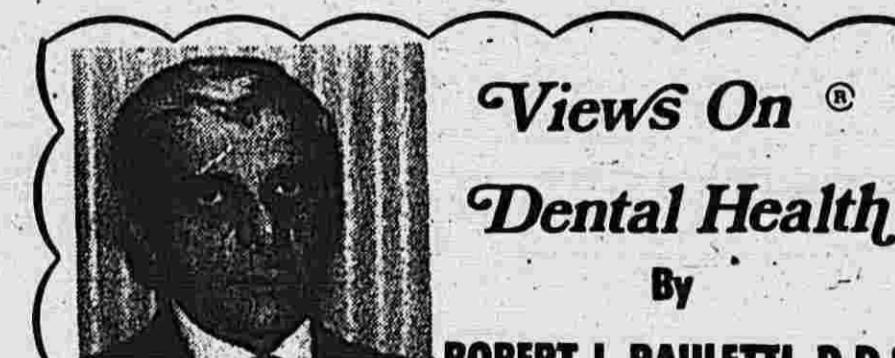

The friendship committee headed by Louise Imburgia welcomed four new members to the first degree honors of the Women of the Moose during the ceremony.

Junior Graduate Regent, Judith Kelly distributed the insignia of the degree, the golden baby ring, to each of their aids. Those receiving were, Elizabeth Andersen with aid Jerri Polson; Theresa Grefkowicz with aid Judy Cook; Jean Zimmerman with aid Mary Brylinke; and Ann Byeck with aid Betty Dahlke.

The four new members received their degrees in Bloomington on May 4.

## Early deadline

The Antioch News will advance deadlines for the issue of Wednesday, May 28, due to Memorial Day holiday Monday, May 26. Advertising and regular news deadlines will be 5 p.m. Friday, May 23. The News office, 952 Main St., will be closed Monday, May 26, in observance of the holiday. Have a happy holiday.

## WISDOM TEETH

As babies, we start out with 20 primary (or baby) teeth. By the time we are adults, we shed these baby teeth and end up with a total of 32 teeth. Where do the extra 12 come from? These are our 12 permanent molar teeth. They develop behind the baby molars in three stages (of 4 each) during our youth.

The third set of molars are called wisdom teeth. They make their appearance between the age of 17 and 21. The one who invented this label equated "wisdom" (perhaps rashly) with physical maturity. Wisdom teeth often cause trouble.

The jaws may be so small that one or all of these

wisdom teeth remain completely embedded in the jawbone. In other instances, only a portion of the crown may erupt and a flap of gum tissue may overlap much of the wisdom tooth enamel.

These embedded (impacted) or partially erupted teeth may become a source of trouble from infection that develops under the gum. Their surgical removal may be necessary.

# Vacation Bible school scheduled at Evangelical

"Winning over the struggles of everyday life is a common concern for people of all ages," Dr. Vernon Olson, pastor, commented as he announced the Antioch Evangelical Free Church's Vacation Bible School plan for the summer. "And that's one reason we have built our summer ministry on the theme 'Jesus and You — the Winning Team.'

"We invite all members of our community to be a part of the 'winning team,'" Dr. Olson continued. "Creative Bible study, recreation, crafts and music are planned to provide children

and adults firsthand experiences in working, playing and learning together."

The Vacation Bible School begins June 9 and continues through June 13. Classes will be held from 9 a.m.-11:30 a.m., at the Antioch Evangelical Free Church, 24423 W. Highview Dr. (Tiffany Rd. at Highview Dr.), Antioch.

Classes will be available for children starting kindergarten through sixth grade. An adult class will be taught by Dr. Vernon Olson. For additional information or pre-registration, call the Antioch Evangelical Free

Church — 395-4117, or Mrs. Joan Nelson, the Vacation Bible School director — 356-7734.

## Lions to feature Meyer at banquet

The Antioch Lions Club is sponsoring the Antioch High School athletic banquet, Tuesday, May 27. This is the 39th year for the Antioch Lions Club sponsorship of a banquet honoring the high school athletes.

This year's banquet is to honor the senior boy and girl athletes, as well as the senior cheerleaders, pom-pom, color guard, senior marching band members, most valuable athletes, and individual State Finals qualifiers in our 17 sport areas. The affair will be at 6:30 p.m. in the commons and cafeteria.

The senior athletes, senior special invited groups, the most valuables, and their sponsors and coaches will be guests of the club. Each student guest is encouraged to bring a father, a mother, or other adult guest. The club would like to limit guests to one each since there is limited seating. Tickets will be available at the door at a cost of \$5.

The Lions Club and their guests are quite fortunate in

having Joey Meyer, DePaul University Asst. Basketball Coach, as the featured speaker.

After a brilliant playing career in which he scored 1,233 points in three seasons — good enough for the seventh spot on DePaul's all-time scoring list — Meyer began his coaching career in 1971. In his first season as freshman coach, his team won 25 in a row after an opening loss.

The Blue Demons have benefited from Meyer's recruiting efforts through their recent successful seasons. He's been responsible for bringing bluechippers such as Clyde Bradshaw, Mark Aguirre, Teddy Grubbs, Terry Cummings, and NBA stars Gary Garland and Dave Corzine to DePaul.

By reporting on the strengths and weaknesses of opponents as DePaul's chief scout, Meyer assists coach Ray Meyer in planning the Blue Demon strategy.

## Along the way with ANNIE MAE

Baseball is really first in my mind lately, and the other day I learned that one of my favorite State Bank employees smashed a homerun over the center field fence while playing league softball at Furlan's Dug Out Park in Trevor. Bill Groeninger was just so excited about the feat, and I don't blame him, especially since the last homerun I saw him hit was back when he was in Little League. He played on the Dodgers, and if I remember right, Tommy Blackman and Brian Crandell were on that same team, and after they hit too many over the fence, it was moved out some. That sport has sure grown a lot. Why today in the Antioch Little League programs there are over 500 children enrolled. That's not to talk about the adults playing in leagues. Anyway congratulations Bill.

BILL GROENINGER

Speaking of summertime fun, be sure to enroll in park district programs that interest you this summer. There are just so many to choose from, and information can be obtained through Glenda Tomaschik or Dee Lang at the park office at the village hall. Also according to them, there will be a free swim on Memorial Day at the Aqua Center.

Also, let me remind you that the parks dept. is planning two family nights one for June 26 and one for July 4. The theme for fun this year is to stay in Antioch, and both the family days are chock full of activities for all members of the family. There will even be an old fashioned pie baking contest and a moustache and beard contest, so all you men should begin to grow that facial hair if you don't have it already.

To top things off on the fourth of July, there will be a Miss Antioch contest. Winner will qualify for the Miss Lake County Fair Queen competition, and could later represent the county at the state fair. Judging will be on beauty, poise and down-to-earthiness. There is no talent competition, and more information can be obtained through the parks dept.

The Antioch Bowl was the scene for much excitement last Sunday as the Antioch Jaycettes sponsored a bowl for

autism. It was very well attended and the girls tell me that they made over \$4,500! The proceeds will go toward the Elmhurst College program for autistic study.

It was the first major project for the newly formed Jaycettes, and chairman Bonnie Bruski deserves a huge pat on the back for making the bowl the greatest success. The rest of the girls tell me that she worked real hard, and she deserves a big hooray. Also, all the Jaycettes can't seem to find the words to express their appreciation to the community for their support, making the day full of family fun.

Speaking of the Jaycettes, they have a related group in their organization called the Jaycees. The Jaycees recently attended a state convention and boy did they bring home some great honors! They were recognized as the number one, out of 76 Jaycee Chapters of the same size in the state. They also received some other recognition for the inner projects of the group. The Jaycettes traveled with them, and they were recognized for having the greatest percentage of their group present, (8 of 12) and also for mileage. The Jaycees will now go on to national competition.

JACKIE MILLER

SCOTT WOLF

King and queen were chosen last weekend at Intelaken in Lake Geneva for the junior prom at Antioch High School. All the kids were cute this year, and chosen to reign were Scott Wolf and Jackie Miller. Congratulations kids, and I hope you had a good time dancing and stuff.

Three students from Antioch High School attending the Lake County Area Vocational Center were named tops in their field of study throughout the whole program. Cathy Salyards, was tops in food service; Robert Runyard, was tops in machine shop; and Frank Wojtkiewicz was the best in graphic communications. Along with that, ACHS counselor Cathy Meisenhelter was awarded for getting the most students to sign up for the vocational program. She's new at the school this year, and really was surprised to get the honor.

There's a new photo studio in Antioch. Richard Steidl has opened Creative Studios on North Ave. He's open Monday through Friday, 10 a.m. to 6 p.m., and Saturdays 10 a.m. to 3 p.m. He has a unique way with portraits, weddings and commercial photography. He's been involved with photography as a sideline for five years.

Beth Schillinger and daughter Krista will be visiting Mrs. Schillinger's mother's home in Athens, Georgia where the pilot for the new series "Breaking Away". She is hoping to get to be an extra in one of the episodes, and is real excited about the upcoming trip.

I hear that Mark McKinney is filling the shoes of good ol' Tom Kelly quite well. Last week at the Antioch Chamber of Commerce and Industry committee meeting for more industry, he had trouble staying awake after lunch. T.K. used to have the same problem at Rotary meetings, but I'm sure it comes with all the hard work they put in at the office...

Reminders for upcoming events are high school honors day to be held May 22; Jaycees annual installation dinner, May 24; Mental Health Assn. Cotillion, May 31; International tour with Rotary, June 3; and bike safety check, June 24 at the old rescue building.

Don't forget the Memorial Day Parade which will be Monday, May 26, beginning at the high school and ending at the village square. The parade is scheduled to start at 1 p.m.

Boys and girls between the ages of 8-13 years old will be circulating a petition to try and get a dirt track established for dirt-bikers. The petition will be turned in to the park board for consideration.

A great thing has happened through the parks department, and it has to do with one of the programs that they work so hard to promote. Alyce Brownlee's baton students brought home some very nice trophies from state park district competition held in Villa Park, on May 10. The competition was held at Jackson Jr. High School, and Sherly Webb, 7, Tammy Princing, 10, and Tiffany Christopoulos, 6, each grabbed a number of first and second places in the competition.

The other day I tuned in my television and just happened to see that great body-builder, Mike Metzner lifting weights. Sure was surprised, and real happy to see him after seeing him in person a few months ago at DJ's Fitness Center. That Antioch Bowl is the best for finding things to do whether it be fitness, bowling or dancing.

## Letter To The Editor

### THANKS

Editor: As president of the Chicago Heart Assn., I want to extend my deepest appreciation to local students, sponsors and school personnel for their participation in the second annual jump rope-a-thon for Heart.

This unique public education event was sponsored by the Illinois Association for Health, Physical Education and Recreation, an organization of physical educators dedicated to encouraging physical fitness among youth.

The jump rope-a-thon was conducted at 270 schools in Cook, DuPage and Lake counties to promote lifelong cardiovascular health and fitness among students. In

addition, funds raised locally will help support programs aimed at reducing disability and death from heart diseases and stroke conducted by the Heart Assn. of Lake County, a division of CHA.

The event sparked enthusiastic responses from students towards adopting exercises like rope jumping into their lifestyles. The Heart Assn. is grateful to your community members for their support of these youngsters' efforts and their contributions to help fight cardiovascular diseases, responsible for more deaths annually than all other causes of death combined.

Sincerely  
Joseph V. Messer, M.D.  
President,  
Chicago Heart Assn.

The first board meeting for the coming year will be held at the home of Mrs. Thomas Santino on July 9.

## Art show results released

A total of 168 blue ribbon art exhibits were named in the 22nd annual Lake County town and country amateur art show, according to extension advisor Irene Green. These blue ribbon entries were selected by the art show jurist, Dr. Walter Johnson, retired from the Dept. of Fine Arts, University of Illinois, Urbana, from a total of 542 entries.

The blue ribbon winners in the adult division are eligible to enter their art pieces in the Regional Town and Country Art Show to be held at Northern Illinois University, DeKalb on June 14-27 at the University Center Gallery.

The winners of blue ribbons in the three divisions are Pat Behke, Lake Villa, Quail Egg Necklaces, craft; Sandra Caffarella, Antioch, "Woman and Pottery," pain-

## Enroll now for driving

Antioch Community High School district residents between the ages of 15½ and 21 are eligible for the summer driver education program. The only cost to the student is \$8 for a permit/license.

The course is being offered starting Tuesday, June 17 and completing on Friday, August 1. Students at the high school and other district residents between the ages of 15½ and 21 may enroll by reporting to the driver education/athletic office in the gym foyer between 8 a.m. and 4 p.m. before June 3. All those enrolling must complete the application data sheet and receive the rules and regulations in order that State materials may be processed.

Students planning on going to camp or vacation between June 17 and August 1 should not enroll. Since the program is Illinois sponsored, specific hours and minimum requirements must be met. The driver education course at Antioch is an integrated program consisting of 33 hours of classroom, 12 hours of simulation, three and one-half hours of on-the-street driving, and three and one-half hours of observation.

The street instruction is completed on the school lots, our local streets, county and state highways, as well as nearby expressways. The cars in the program are furnished by Lyons-Ryan Ford and Teresa Chevy-Olds. The community owes a "big thank you" to these two fine local dealers for helping with the education of our young people.

Enrollment will close June 3.

# Special committee gets industrial ball rolling

At a meeting held by the special industrial committee of the Antioch Chamber of Commerce and Industry, on May 15 at the Brauhaus, certain obstacles in promoting industry in Antioch were discussed by members. The members of the committee, each having interests in different businesses in the community, raised questions and also solutions with the promotion of new industry in Antioch.

According to Dan Dugenske, currently heading the committee, "the process of instigating industry will take a lot of work. There are many things to consider, and many questions to have answered before we initiate new industrial growth."

THE COMMITTEE agrees that studies should be done to see what Antioch has to of-

fer to potential companies seeking a home. "We need to know what kind of work force there is," Dugenske said. "We need to figure out target areas and get information on them, so we know what needs can be met for businesses seeking input."

The Chamber is planning to have an expert in the area of industrial promotion to speak at the next general membership meeting. "We need to hear what things we have to work on, and we need to hear members of the Chamber's ideas as well," Chamber secretary Dixie Sparks pointed out.

Each member of the committee will be working on an individual problem area including school, zoning and financing. "This project will be done thoroughly—even if it takes a long time," Dugenske said.

## Village, church negotiate Depot St. land purchase

The Village of Antioch is currently in negotiations with the United Methodist Church of Antioch in an effort to acquire property near the church for the completion of Depot St. According to Don Skidmore, head of the church's trustees, the village has made an offer for the property and the trustees at the church have taken it under advisement. "We will be meeting Wednesday, and I suspect the trustees will come up with a counter proposal," he stated.

The acquisition of the property for the development of the street was thought to be further down the line in road improvements. "The base used for putting in the road is very expensive," stated village clerk Marilyn Sterbenz. "We'd be able to use the shale from

the road construction in progress now, and it would be free, and that is why we've gone ahead with some of the plans."

BOTH THE CHURCH and the village would benefit from the development of the road, Skidmore and Sterbenz agree, but the church has to go through a process before selling land.

"The trustees must agree on the conditions, and then the entire church must vote on the sale of the property," Skidmore pointed out.

Neither party feels that there will be any problems in the land sale.

The property in question is almost an acre of land, 66 feet off the end of Depot St., up to Rte. 83.

## Paddock Squares bring on sixth

The Paddock Lake Squares, a county wide organization dedicated to "friendship set to music", will celebrate its sixth anniversary on Thursday, May 22. Paul Baumann, club caller and instructor, will call dancing from 8:10:30 at the Paddock-Hooker Lake Assn. Clubhouse, 7024 250th Ave., Paddock Lake.

This square dance club holds dances open to the public the second and fourth Thursday from 8:10:30 p.m. with refreshments following. Classes are held each year from September - March. "Angels" from the club help

and cheer on the newcomers to the world of square dancing.

Membership dues are \$2 per couple per year. Each year a members only, free dinner-dance is held. At this time officers are elected. Newly elected officers are: president, Mr. and Mrs. George St. John; vice president, Mr. and Mrs. Donald Allen; secretary, Mr. and Mrs. Vince Kuhn; treasurer, Mr. and Mrs. Robert Beland; publicity, Mr. and Mrs. John Beinecke; and banners, Mr. and Mrs. Ronald Memler.

## Antioch Trust to hold seminar

The Antioch Trust Company has scheduled a community service seminar entitled "Wills, Trusts, and Probate — Money Saving Techniques." According to Paul T. Pavelski, president of Antioch Trust Company, the program will be held on June 2, at the Windjammer Restaurant on Hwy. 173, 2 miles west of Rte. 59. The session will begin at 7 p.m. and conclude about 9 p.m.

Specialists in the areas of

law, trusts, taxes, and insurance will address such topics as: avoidance of probate, avoidance of estate taxes, the need for a will, how land trusts benefit property owners, and how to retain a family farm or business and save taxes.

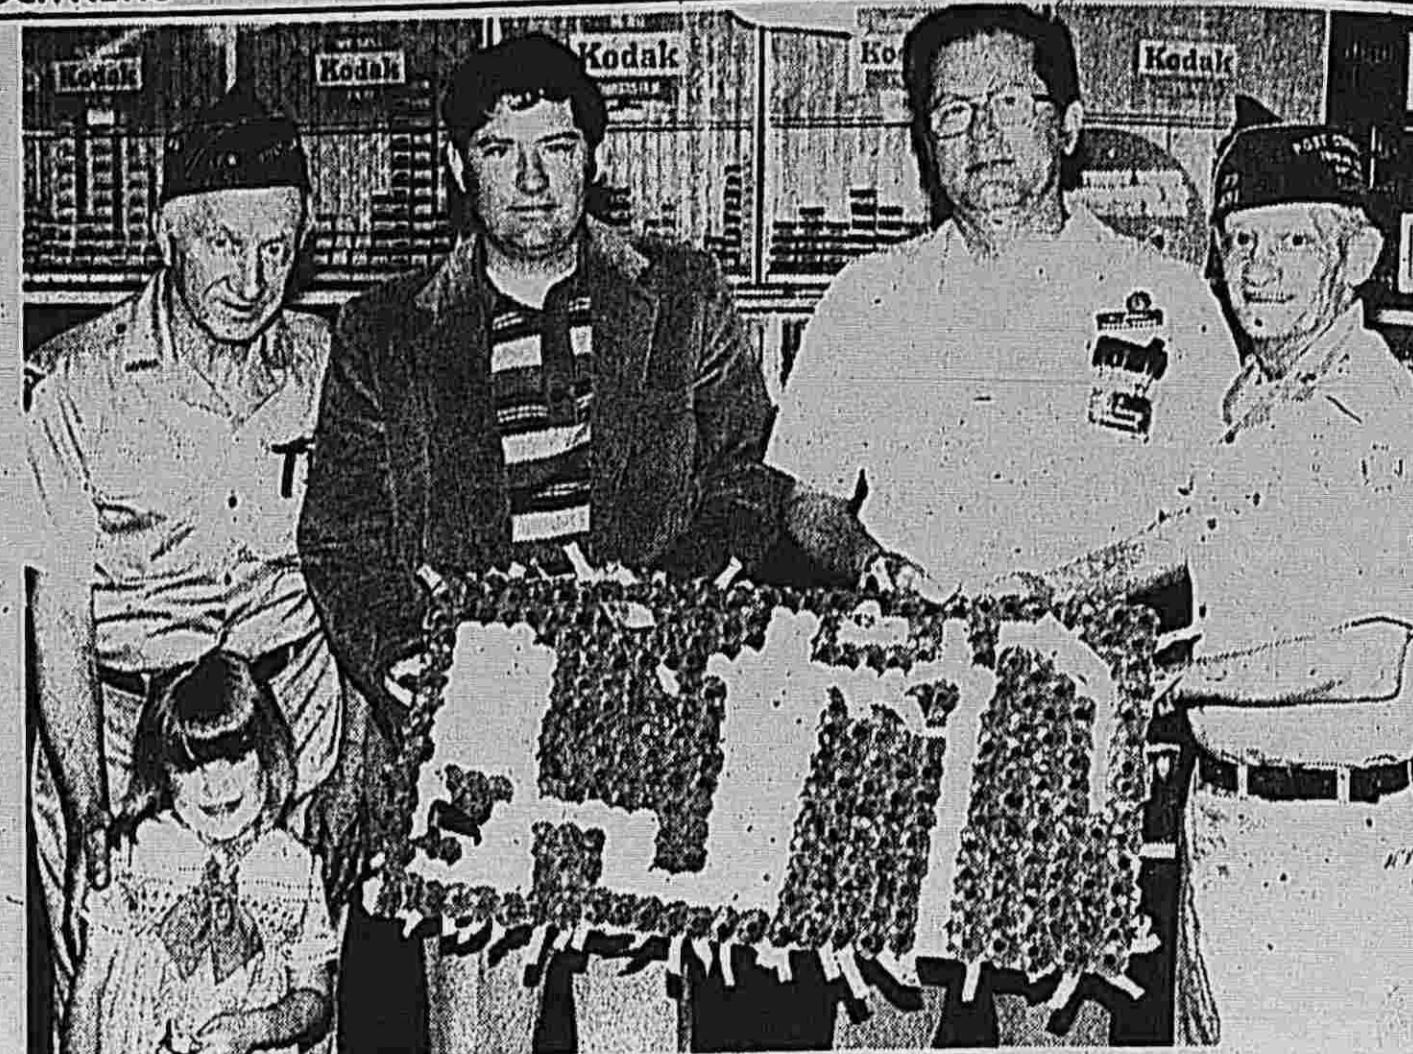

Admission is free, however, reservations are required. To make reservations, call the Antioch Trust Company at 395-8500.

## Barn fire being investigated

A fire is still under investigation by county authorities, after the second floor of a barn on North Ave. at Nelson Rd. was completely destroyed on May 14.

According to Wayne Parthun, fire investigator for the Antioch Fire Dept., the fire started on the southeast section of the second floor in the barn owned by a Chicago doctor. The path of the fire traveled west along the south wall of the barn. The damage was

heaviest along the floor line of the second floor, Parthun said.

According to the lessor of building, nothing was stored in the area where the fire started, but some hay was stored on the first floor of the barn.

Both Antioch and Trevor Fire Depts. responded to the blaze which was fought for three and one half hours, while the Lake Villa squad stood in for the town.

# NCA extends Antioch's yearly accreditation

Principal Art Blecke of Antioch High School has announced that the school's accreditation has been extended through the 1979-80 school year following the review and approval of its annual report at the North Central Assn. annual meeting. Accreditation is for one year at a time and must be renewed annually.

"Once every seven years, each NCA school must undergo a comprehensive self-study followed by an NCA evaluation team review," Principal Blecke explained. "This school was last evaluated in 1975. In the interim years, a school is accredited on the basis of its report on conditions existing in the school and on such supplementary information as the Commission on Schools requests. Our report for 1979-80 assures us of ongoing NCA membership and accreditation. This continued accreditation means that the conditions for effective education exists in the school."

The NCA is the largest of the country's regional accrediting agencies. It is a voluntary league of over 4,700 schools and 850 colleges and universities in 19 states, plus the Dept. of Defense Dependent Schools throughout the world. Schools are accredited in Illinois number 627. The association works with individual schools to improve the quality of education through a continuous process of evaluation and accreditation.

Dr. John S. Kemp, NCA State Director at the University of Illinois, congratulated Antioch High School on its continued accreditation for 1979-80. He added, "The school has been a member of the NCA since 1934, and in all those years it has been fully accredited. This should be a matter of satisfaction to the students and the parents of the school, since accreditation gives assurance that the school meets those minimal yet rigorous preconditions for effective education established by the Association. Through this voluntary membership in the NCA, the school and the people in the district have committed themselves to the pursuit of quality in education."

Quality education, an ideal in the past, is an imperative today. NCA accreditation and evaluation offer both a framework and an effective tool to help schools clarify goals, recognize strengths and limitations, and implement processes and programs to help meet the needs of today's students.

Accreditation by the NCA ensures that the school is meeting the minimal conditions for effectiveness. By setting standards for basic operations of the school and by requiring a comprehensive self-study once every seven years, the NCA stimulates the school towards continuous improvement. This is accountability in action, for a school evaluation involves students, faculty and parents. The external team is composed of teachers, administrators, university personnel and

Illinois State board of education representatives. The year the school spends on an evaluation, enables

every teacher to participate in the development of a comprehensive plan for school improvement.

## Percy has intentions of attending dinner

With Louisiana Republican Gov. David Treen as main speaker, a full house is expected Friday, May 23, at the 1980 Campaign Dinner of the Lake County Republican Federation at the Holiday Inn, Mundelein, according to the federation.

The dinner is set for 7:30 p.m., and will be preceded by a 6 p.m. reception. Dinner Chairman James L. Vincent has announced that Treen will be introduced by U.S. Rep. Robert McClory (R-Lake Bluff).

Treen, who is the first Republican elected Governor in Louisiana in 100 years, will hold a press conference at the reception in which U.S. Rep. Phil Crane, R-Mt. Prospect, and Lt. Gov. Dave O'Neal, GOP U.S. Senatorial candidate, will take part. Crane is Republican candidate for reelection in the 12th District, and both he and O'Neal will attend the dinner, as will U.S. Sen. Charles H. Percy.

Federation President Michael Cudahy said the dinner, a fund-raiser, is a major source of funds for the Republican Party in Lake County. "In an election year", Cudahy said, "the dinner is a crucially important undertaking." He cited support for the federation-supported Republican headquarters in Waukegan and the contribution of a "substantial sum" to the Lake County Republican Central Committee.

Patron dinner tickets are being sold by a committee headed by federation vice presidents Mrs. Charles (Susie) Meyer and Glenn S. Utt, Jr. of Shields Township. Co-chairmen for dinner

SWINGING HARD — Mike Dobosh, batter, of State Bank sponsored Tigers gives his all only to see his team fall to a 14-6 loss to Orioles in season opener.

Antioch Girls Little League Softball scheduled to open May 18 at the Little League field, has been rescheduled for a later date because of the weather.

There are six girls teams ages 9-12, and openings still exist for girls wishing to sign up. All girls teams have been provided with new uniforms and new equipment. Any girls interested in playing on a Little League team 9-12 (or girls Senior League 13-15) should contact Lee Greenwell at 395-6796.

The girls senior league will participate in a joint league with Fox Lake. The senior league is looking for girls 13-15 interested in playing as the three teams would like to complete their roster.

Girls Little League teams are:

### Little League play well underway

Opening day for the Antioch Little League, May 11, saw a 7-5 victory for the Cardinals over the Dodgers and the Tigers suffered a 14-6 badging as they faced the Orioles.

The Cardinals fine base running and alert defense proved to be the winning factors in the team's season opening victory.

Bart Behling pitched well the first three innings of the game giving up only two runs on two hits. However, the Dodgers tied the score in the fourth off Tom Kane on a timely hit by George Hickey, after Kane had walked the bases loaded.

McGrain and Kane scored the two extra base hits in the game, while Mike Galdine, Bart Behling and Matt Gall all scored singles.

Oriole pitcher, Dave

Kane settled down the last two innings and held the Dodgers to only one more run.

The game's deciding blow came in the fifth inning when Mike McGrain led off with a double followed by a walk to Tom Kane. Matt Gall then came through for the Cardinals with a double down the right field line off George Hickey. Gall scored on a passed ball giving the Cardinals the final lead.

Perryman held the Tigers to one hit in four innings, while Kuligowski was three for three.

Next week's schedule includes, Thursday, May 22, Tigers vs. Cubs; Cardinals vs. Astros; Friday, May 23, Yankees vs. Orioles; Saturday, May 27, Yankees vs. Tigers; Astros vs. Dodgers; Wednesday, May 28, Orioles vs. Cubs; Giants vs. Cardinals.

## Veterans, newcomers all suspects in PM&L's last

"The Hollow," a murder mystery by Agatha Christie, is the next play to be presented at the PM&L Theater, 877 Main St. in Antioch. The show opens Saturday night, June 7, with four following

performances scheduled for Fridays and Saturdays, June 13, 14, 20 and 21. Curtain is at 8:30 p.m.

As "The Hollow" is a whodunit, it cannot be told now who did it or even who did what.

The PM&L production is directed by Bill Sershon and the cast includes Pat Sershon, George Blanksten, Ricky Apostol, Tracy T. Kiederlen, Nancy Balmes, Dee Baum, Martin Domeracki and Bob McKee, from Antioch; Bruce Stamm, Round Lake; Vicki Tolash, Libertyville; and Don Beveroth, Paddock Lake.

This mixture of talented

PM&L veterans and newcomers to the Antioch stage should give tantalizing life to the web of mystery woven by one of the great crime writers of the age. Set deep in the Agatha Christie tradition, "The Hollow" tells a suspenseful tale of an aristocratic British family caught up in conflicting social customs, romantic intrigues, sex triangles, and, of course, murder.

"The Hollow" rounds out PM&L's current and successful Season XIX. To be sure to see it, call 395-3055 to make reservations, and be at the theater no later than 8:15 on the night you plan to try your hand at solving the mystery.

## Alumni missing from '70

The Richmond-Burton High School class of 1970 is looking for class members for their 10-year reunion to be held this summer. A potluck picnic is slated for noon, Sunday, June 29, at the Richmond Park, Richmond, with the rain location being the Lazy K Campground in Spring Grove.

If anyone has addresses or contact with the following people, please call George Richardson, 815-675-2478; Colette Wilson, 815-678-4262; or Calvin Baker/Rick Krieger, 815-678-6181.

Missing alumni are: Daniel Carlson, Bruce Case, Patti Gouge, Julia Golden, Judith Heelein, Joe Hoffelt, Jeff Hoffman, Jimmy Joe Johnson, Debbie Kasowicz, William Krueger, Sandra Larsen, Marie Peterson, Leslie Ritzert, Cathy Sanders, Tom Schoen, Greg Schultz, Ken Wade, Mike Wisniewski, Delores Wittnebel, Robert Woods and Paula Wu.

## Rush wins merit

Joe Rush, of BJ Rush Studio in Antioch and Langdon's of Barrington in Barrington, recently had three prints hung at the annual convention of the Associated Professional Photographers of Illinois.

One of the prints, titled "Eyes", won a merit and will hang at the national convention in August in Atlanta, Georgia. Of the several hundred photographs submitted, 20-25 per cent are usually accepted for hanging and only about five percent receive merits.

He also was awarded the "Bob Johns Service Award" for meritorious service this past year in promoting certification.

Rush and his wife Barb own two studios, BJ Rush and Langdon's of Barrington. He is on the Barrington Chamber board and is a member of Barrington Rotary.

The APPI convention was held at the Holiday Inn in Decatur.

## Apprenticeship chance at Wisconsin faire

A special apprenticeship program for young performers who are interested in developing performance skills through on-the-job training at King Richard's Faire, the Renaissance Faire in Bristol Township, Wis., is being offered this year by John T. Mills, director of entertainment at King Richard's Faire.

According to Mills, apprentices will attend workshops to be given personal instruction by many of the professional entertainers employed by King Richard's Faire. Students will have the opportunity to get first-hand experience in a wide range of areas which will include acting, mime, music, juggling, fencing, make-up and other related skills. The broad curriculum will be

spread over the seven weekend run of the Faire. The Faire opens June 28 and runs consecutive weekends through August 9.

The benefits of an apprenticeship program for performers are invaluable to their profession. Anyone interested in becoming an ap-

prentice at King Richard's Faire should write John T. Mills, Greathall of Illinois, Ltd., King Richard's Faire, 12420 128th St., Kenosha, Wis. 53142 or phone him at 414-396-4392 or 312-689-2800.

Application deadline is June 15.

## Taxpayers beware! IRS warning

Taxpayers should request to see the credentials of an individual claiming to represent the Internal Revenue Service, the IRS cautions.

Occasionally, persons pose as employees of the IRS to collect money for what the impostor refers to as unpaid taxes.

In almost every instance, taxpayers who owe money will receive written notification before being contacted by the IRS.

## Sequoits make amends for slow season start

Antioch travels to Gurnee for their final Northwest Suburban Conference game against Warren on Wednesday, May 21.

ILLINOIS HIGH School Assn. regional action was to begin for Antioch at Libertyville on May 20.

The winner of that game plays at Round Lake on Thursday, May 22.

The regional semi-finals are at North Chicago's Hawk Field on Saturday, May 24, with the championship scheduled Tuesday, May 27.

The winner advances to the Dundee Sectional at Carpentersville.

ANTIOCH'S WINNING streak went to two games at home against defending NWSC champion Wauconda on May 14.

The hosts were victorious 10-8 with Terry Dewar earning the win on the mound.

Five runs in the bottom of the sixth inning gave the home team the lead to stay in the back and forth affair.

With one out, Dave Berchtold walked. Tom Bernet followed with a triple to

score the first run.

MARK POMAZAK, not to be outdone, followed that with a two run home run. The junior catcher had two hits and three runs batted in (RBI's) for the game.

Deno Sisto followed that with a single and stole second base. Tim Koesser completed the rally by belting a round tripper scoring the two of them.

The Sequoit winning trail went to three when they defeated Lake Zurich 10-5 on the road May 16.

Roy Raven was the winning pitcher.

FOUR RUNS in each of the third and fifth innings proved to be the one-two punch for Antioch this time.

Raven started things off in the third by tripling and then coming in when the relay throw from the outfield was bobbled.

Berchtold walked and stole second. Then Dan Larson singled to bring the second run in.

Bernet followed with a walk and Pomazak singled to score the last two runs.

IN THE FIFTH, Bernet

singled for his second hit of the day. One out later, Glen Flanagan followed with a triple to score the first run.

Sisto then doubled bringing in the second run. He scored himself when Jeff Crichton singled. Koesser concluded the scoring by singling home Crichton.

Koesser also had a two RBI single in the second inning.

The winning streak came to an end, but not without a struggle as the Sequoits lost to Stevenson 4-3 at Antioch.

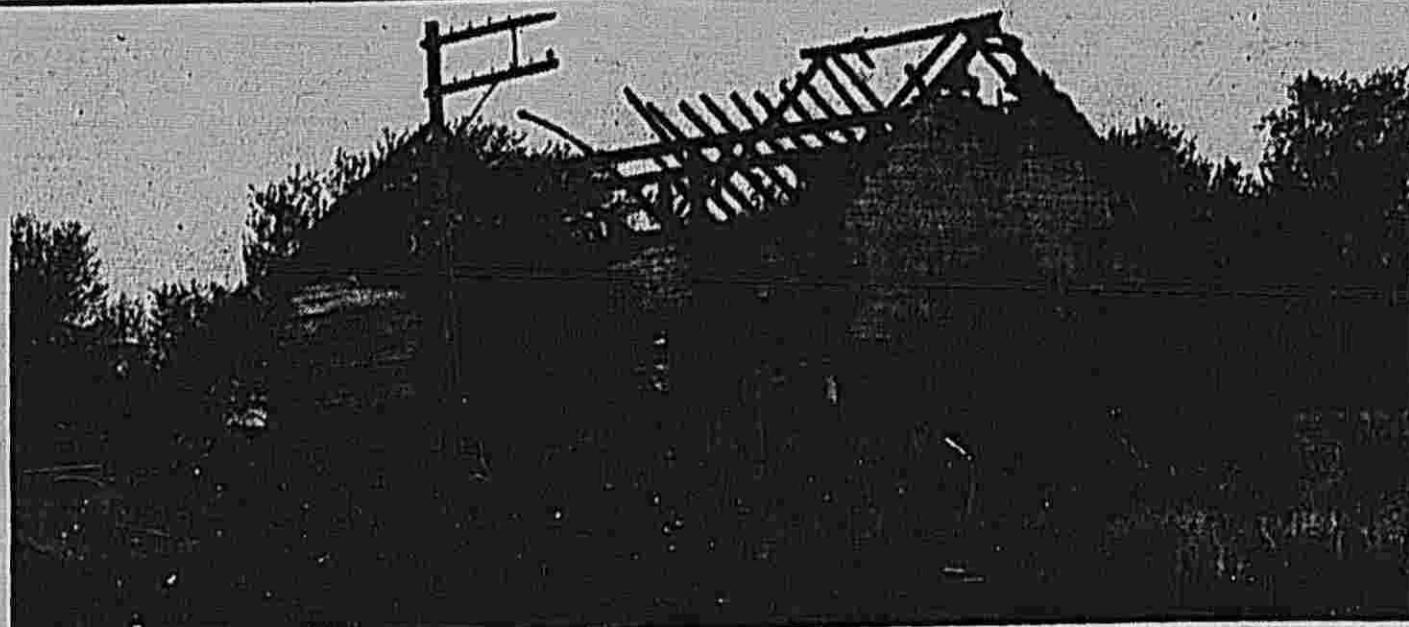

TRAILING 2-1 in the fifth inning, Larson singled and advanced to third on successive ground outs.

Dave Unrein walked and stole second. Berchtold then tripled to give the Sequoits a 3-2 lead.

The advantage was short-lived as Stevenson came through with a pair of runs in the seventh to win it.

The other Antioch run came in the second inning when Pomazak tripled and came in on a ground out.

The loss dropped Antioch's overall record to 5-14 and 5-8 in the NWSC.

Winning first place in the Junior/Major League was The Gilded Cage, also a new sponsor. Sue Kopka accepted the sponsor's trophy. Bowlers on the team included John Goth, Tom Miller, Gary Manual, Jim Nikolai and Jeff Miller. Each bowler received a patch and trophy.

Winning second place, A.M.S. Realty, with John Horsch, Mike Christiansen, Dave Witek, Tom McLellan and Jim Horsch each receiving a trophy and patch award.

Individual trophies went to Rich Perlstrom and Jim Nikolai for high series of 595;

Sandy Hartman 543 high series; high game John Horsch 235 and Tammy Vynalek 188; high average Glen Flanagan 189 and Diane Pahlke 147; most improved bowler was Mike Messman

with 15 pins improvement and Ursula Payne with eight.

Perfect attendance awards went to Kelly Propek, Derrick Richter, Joel Fries, Dawn Smith, Sandy Hartman, Peggy Wegel, Dave Thomas, Glen Lazansky, Mike Priory, Dale and Susan Steiskal, Russ Ivy, Kim Stender and Tammy Doolittle.

Winning trophies for the family twosome tournament were Suzy Samson, first place; Kris Meyer first place; Linda Johnson, second place; Diane Pahlke and Kelly Stender, first place; Sandy and Mike Hartman first place; Rick Samson, second place; Scott Meyer, second place; Mark Dominas, first place and Rick Samson, another second place.

A special part of the banquet was the announcement that Erickson's Sewing Center were the state champs for the second year in a row. The girls team competed in the state finals on April 19 at Wheaton Bowl in Wheaton in the junior division. Bowlers on the team were, Dawn Smith, Andrea Anderson, Tracy Salgado, Karen Goth and Kelly Propek. Mr. Bruce presented the girls with a gift on behalf of Erickson's and congratulated the girls on a fine job.

Bowlers were reminded that the leagues would start again on Saturday, Sept. 20, 1980. Bowlers interested in the fall schedule can sign up at Antioch Bowl during the first two weeks in September with Lois Hartman, youth coordinator.

## Sequoit harriers finish conference co-champs

Antioch High School's boys track team defeated Lake Zurich in a romp last week to gain a conference co-championship with Stevenson. Antioch finished the season undefeated in dual meets and second to Stevenson in the conference meet.

The championship is decided by awarding points for each dual meet win and points for each place in the

conference meet. Antioch and Stevenson end up with 26 points each.

At Lake Zurich, Antioch completely dominated in a 109-37 victory by winning 14 of the 18 events. Lake Zurich won only the two mile relay, 880, 100 and low hurdles.

Antioch's frosh-soph team also finished as co-champs with a 6-1 dual record. The

young Sequoits downed Lake Zurich 110-35.

At the District meet Antioch failed to qualify anyone for the state meet but several good performances were recorded. Robert Otten ran a fine 9:36.2 3200 meter run and finished third, Andy Dugenske ran 52.3 in the 400 meters to finish sixth and Greg Stevens was fifth in the discus with a toss of 134'7".

## Anglers participate in Midwest Open Fishing

The 12th annual Midwest Open Fishing Tournament was held on May 10 and 11 at Channel Lake Boat House. All fishing was done on the Chain O'Lakes and was sponsored by Antioch's Sport Fishing Unlimited Club.

Ed Miller and Ken Stemaglio teamed up to capture first place with a total of 2054 points in the two day tournament. Second place went to Roland Howes and

Dick Onderisin. Third place winners were Mark Rzysko and Jim Thompson, fourth place were Larry Charleton and Jerry Engnath, and fifth George Mohr with a four pound, ten ounce fish. Big Northern Pike at seven pounds, five ounces went to Dick Onderisin, and Big Walleye at four pounds, fifteen ounces was caught by Brian Johnson.

Some entries traveled from as far as Florida and

Minnesota. Some of the top names in the Midwest competed in this annual tournament which is the largest tournament in Northern Illinois.

Even with adverse weather conditions, over 130 bass were caught on the Chain. All except five were released alive and in top condition, which proves that fishing is still great in the Chain O'Lakes area.

## Antioch's Greg Stevens to attend Lawrence University

Lawrence University head football coach Ron Roberts has announced that Greg Stevens, a 1980 graduate of Antioch Community High School, will attend Lawrence University next fall.

A 5-10, 185-pound running back, Stevens is the son of Richard and Joyce Stevens of Antioch.

A two-year letter winner, Stevens helped the Sequoits

record. The Vikings were ranked ninth in the nation in the final NCAA Division III football poll.

Lawrence University is an

independent, liberal arts college and conservatory of music with a co-educational enrollment of approximately 1,200.

Spring Valley Swingers golf club elected officers at the April 20 meeting at Spring Valley Country Club.

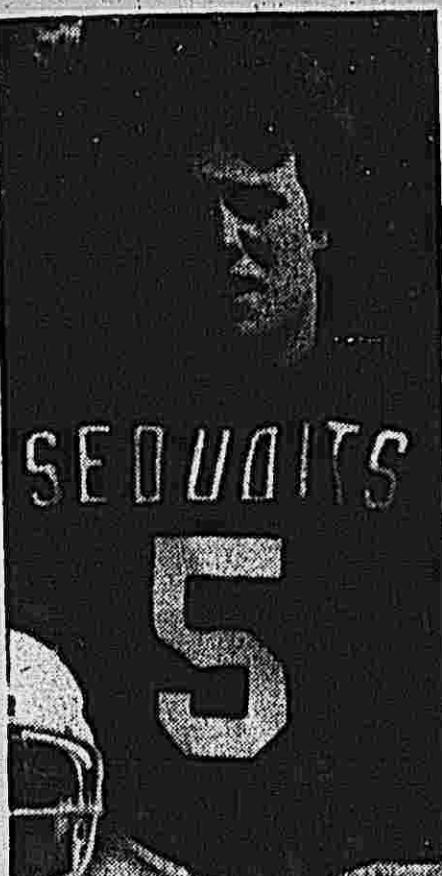

Betty Hartnell reported that Marge Anderson was named chairman, Dee

Finley, co-chairman, and Joyce Wagner, secretary-treasurer. Golfing began May 13.

"A" flight winner of low net was Judy Walauskis with a 36. "A" flight winner of the

event of the day was Sue Terhune.

Lorraine Severson swung to "B" flight winner of low net with a 33. Winner of the event of the day in "B" flight was Dee Finley.

50 YEARS AGO: MAY 22, 1930

According to the recent census the population of Lake Villa increased by 78, Grayslake increased by 389 and Round Lake jumped from 251 to 336 since 1920. However, Ela township lost 33 residents and Hainesville dropped from 84 to 81. This covers the years from 1920-1930.

There will be a glider club in Antioch, a motorless airplane is ordered and demonstration will take place Memorial Day. The meeting was held at Fawcett's Tailor shop and seven young men signed up to become charter members of Antioch's first flying club. After the first flight the glider will be placed in Wetzel's Chevrolet Sales room, to await the signing of additional members for the club and the raising of the balances of the cash required to pay for the machine.

Two carrier pigeons were reported to have reached here early this week. One was captured at the A.G. Hahn place north of Antioch. A second pigeon was seeking food and shelter at the Oetting farm.

The longlooked-for Waukegan new daily newspaper made its initial appearance Monday afternoon. It's the Waukegan Daily Times, which broke forth into the Lake County journalistic field with a 32-page edition, crammed with late news, well patronized by advertisers, and full of sizz from the first page to the last. The News is pleased to welcome the Times to the editorial desk.

Pupils of Mrs. Lux's room, the first and second grades, will have a circus parade tomorrow at two o'clock. The public is invited.

On account of the absence of the librarian, the Antioch Public Library will be closed for four weeks beginning next week. Those having books are asked to bring them in on Friday if possible. If not they may keep them for the month — there will be no fine.

The Antioch Village Board recognized the need for a uniformed fulltime officer so they hired John Brogan at a salary of \$140 per month (\$1,680 yearly). His duties will also include reading water meters, inspection of septic tanks, cleaning out catch basins in village sewerage and working as extra labor for street work.

From "Old Eagle Eye Says" (the Annie Mae of 1930). Old Eagle Eye has long heard of "the black sheep of the family," but Chas. Lux's family of sheep is going so strong on black ones this spring that it knocks the old adage cockeyed. For how can he say of one of his three spring lambs, that one is the black sheep of the family, when all three are as black as crows? Isn't that a record of some kind?

30 YEARS AGO: MAY 18, 1950

Voters in Antioch Township High School District 117 will go to the polls in deciding whether or not an addition will be built to the school building and a bond issue of \$700,000 floated to pay for it.

Antioch will have a new roller rink soon. Bill and Thel Keulman have obtained the former Burgess battery building on Broadway, and expect to have their new rink open by June 15. A contest to name it will begin May 19 and close May 31 with a pair of rink skates and case the prize. An explanation in 25 words or less must be written on why the name was chosen and accompany the entry.

Antioch has the lowest tax rate of any village in the county and Barrington the highest.

A dinner will precede the Junior-Senior prom of the Antioch Township High School Saturday evening. Dancing will then follow to the music of Art Smejkal's orchestra with Charles Bock furnishing the special number.

The class officers of the host class comprise Bernard Haviland, president; Don Appanaitis, vice president; Charles Haling, treasurer; and Ann Mattson, secretary.

The Kelly-Morris circus will exhibit "Jewel", the tiniest performing baby elephant ever seen in America, at Sherwood Park, Lake Villa on June 2.

10 YEARS AGO: MAY 21, 1970

An Antioch landmark hit the dust this week as the old Antioch Township Library building was destroyed. The building has been replaced by a modern brick structure.

Village Mayor Raymond Toft returned to the three-man committee in announcing his appointments for the current year. The trustees concurred in the selection of Mrs. Marilyn Sterbenz as village clerk; Marie Delaney treasurer; Edward Jacobs, attorney; Jack Davis, police chief; Charles Maplethorpe, fire chief and superintendent of public works; Walter Delaney building commissioner; Dr. James Kopriva, health officer; Edward Frazier, civil defense director; Chief Davis and Sgt. Elmer Pett, juvenile officers and Earl Lowe, street department foreman.

Mr. Melvin Stillson was honored at a reception Sunday, May 17. The reception was held from 2 to 4 p.m. with many friends, relatives, former students and past and present faculty, staff and board members. In the reception line with Mr. and Mrs. Stillson were Mr. and Mrs. William Brook and Mr. and Mrs. Robert Denman. He was presented with many gifts and accolades. A special plaque decoupage and sent to him by his daughter, Dee, of Phoenix, was presented by William Brook.

## OUTDOOR WOOD

### Wolmanized

Pressure-Treated Lumber

### Build beautiful, long-lasting patios

When you build outside, use Outdoor® brand wood. It needn't be stained or painted. It's resistant to decay and termites. And it stays beautiful whether or not you paint or stain it.

This deck was built with Wolmanized® lumber... Outdoor wood. It's ordinary wood—pressure-treated with Wolman® preservative chemicals to keep it handsome, sturdy, and worry-free for dozens of years.

Considering how long Outdoor wood lasts, it's relatively inexpensive. Use Outdoor wood for your next project. You can be sure it will have the appearance and shape-holding qualities you expect because Outdoor wood is a high grade of material.

Be sure to look for the Outdoor® wood mark on each piece of lumber. If it doesn't have the mark, it isn't genuine Outdoor brand wood.

## Jaycettes donate over \$4,500 in first project

The Antioch Jaycettes held a very successful bowling for autism project May 18.

The Jaycettes were pleased with the generosity of those who came out to bowl and those who sponsored the bowlers, according to Bonnie Bruski, project chairman. Over 100 bowlers turned out to bowl their best to benefit autistic children.

Many went home with door prizes that were given out every 15 minutes throughout the day. The Jaycettes reported that many local businesses supported the

project by donating prizes.

There are still top prizes to be given away. The bowler who brought in the most donations to autism will receive a bowling ball and bag. The bowler with the second highest amount donated will receive a camera. The bowler with high series will receive a case of champagne, and the bowler that bowled the highest game will receive a camera. There is also a prize of a \$15 savings account that will go to the bowler under 12 years of age with the highest individual game score.

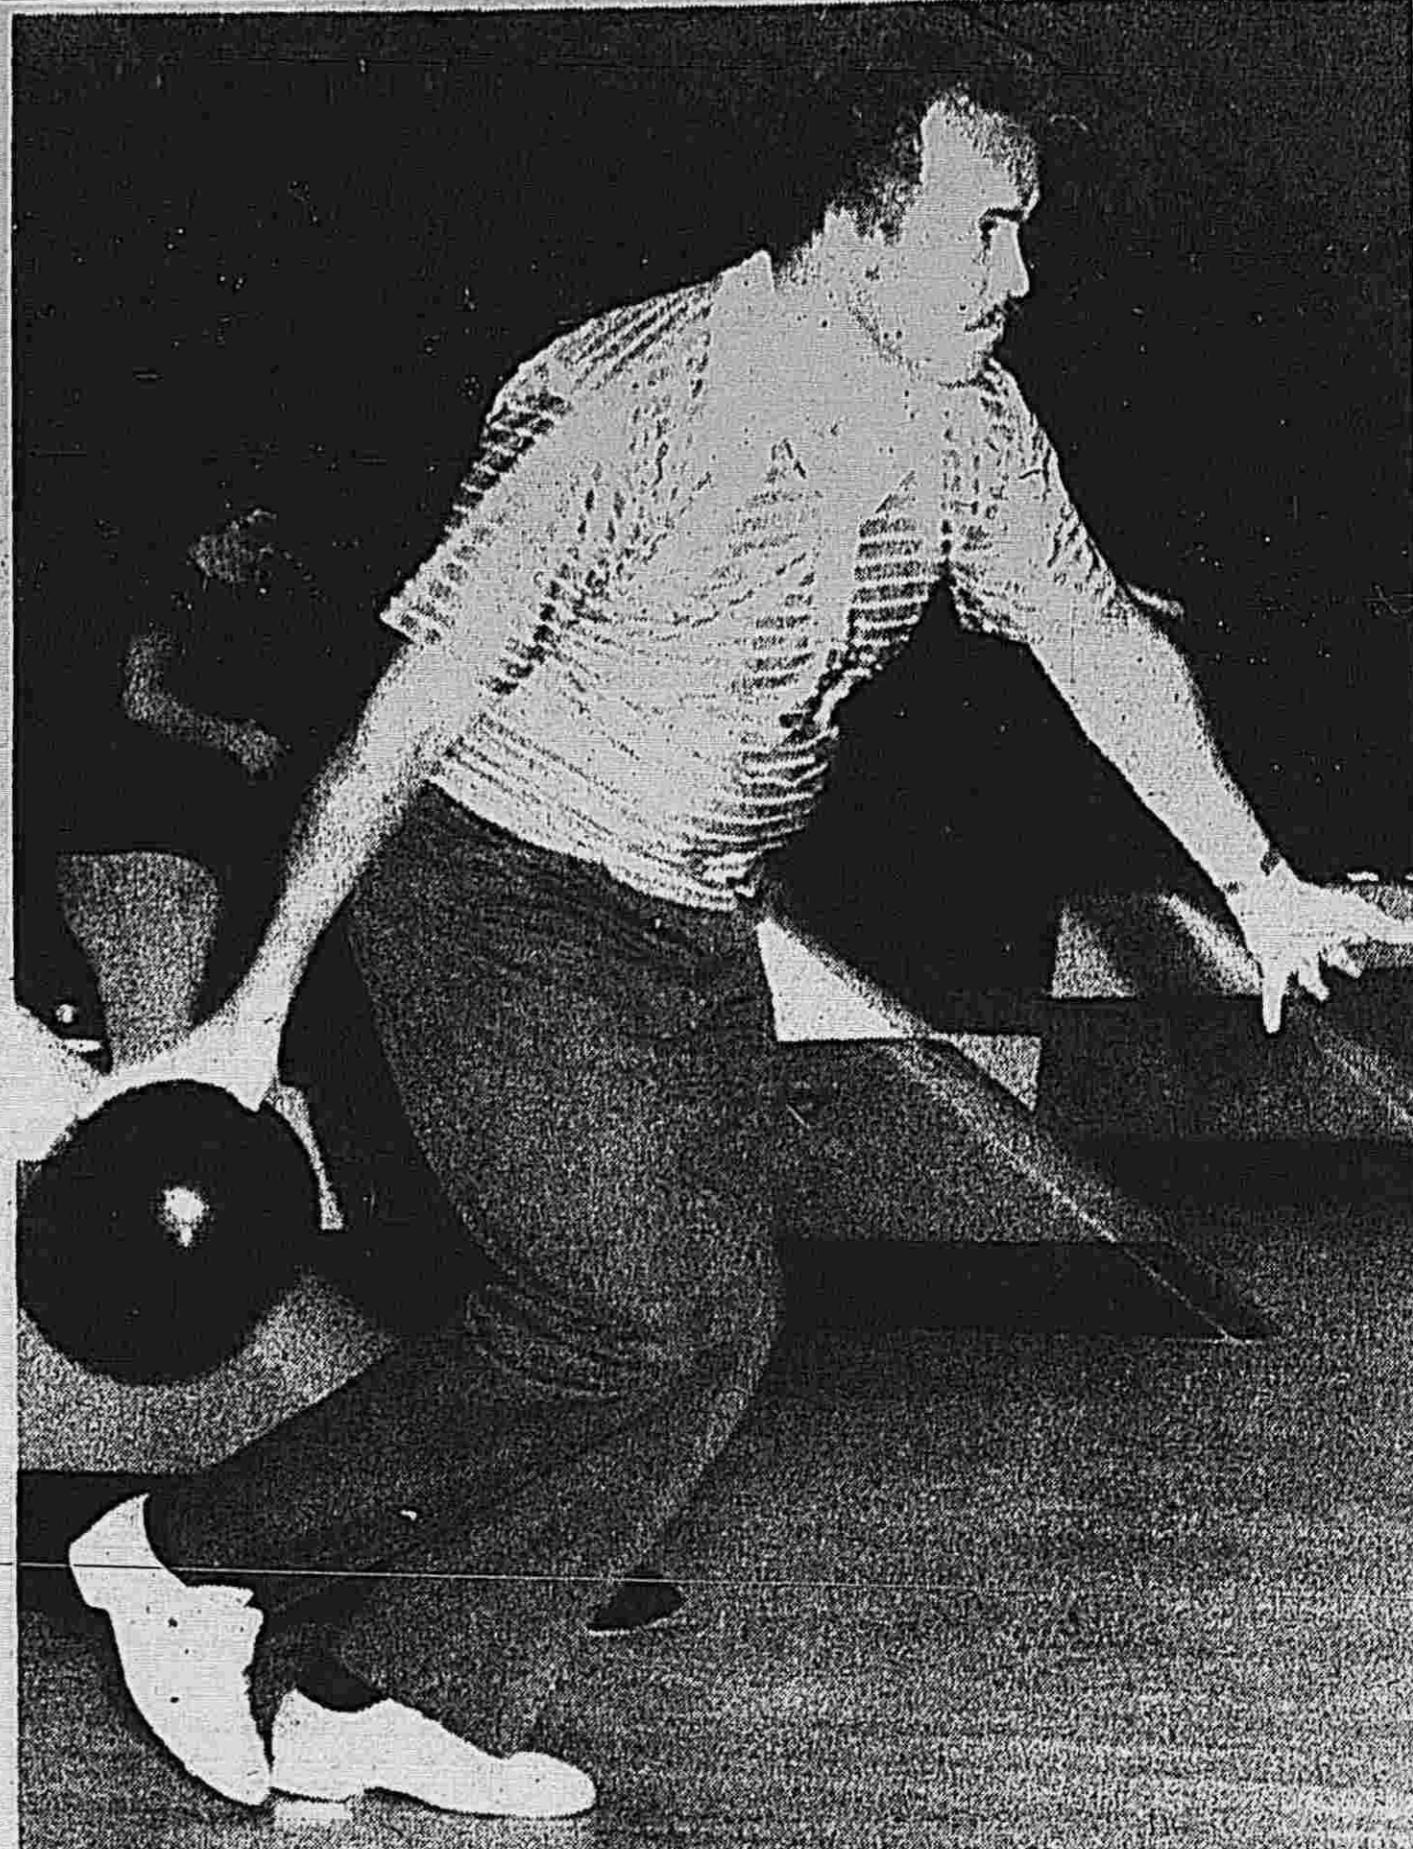

These prizes will be presented as soon as all of the bowlers have sent in their collected donations. The Jaycettes urge all bowlers to send their collections in as quickly as possible.

A very special thanks goes to the management and employees of the Antioch Bowl for their cooperation and assistance on this project, according to Bruski.

The \$4,500 worth of funds raised will be donated to the Elmhurst College Speech Clinic for their continuing fight against autism.

**AUTISM STRIKES** — From left, Bonnie Bruski, Jaycette project chairman, Scott and Clint Plekavic, autistic twins, and Jim Edwards, state Jaycee chairman for autism cause stop at Antioch Bowl as many folks bowl for very serious cause. Autism is incurable disease striking many children throughout nation. Parents of twins were also on hand to promote teleplay, a new therapy that through many steps, makes children a little more human. — Photo by Lisa Wilkie.

**HAS FUN** — Bob Gesiakowski bowls at Jaycette autism fundraiser held at Antioch Bowl. Autism is a disease that strikes youngsters, making it hard for communication. Parents first notice that children don't want to be held and also seem to look right through people. Proceeds went to Elmhurst College where study is being done on therapy for disease. — Photo by Lisa Wilkie.
